VOL. X. ALBANY, ALAMEDA COUNTY, CALIFORNIA. Friday November 3, 1944 NUMBER 6

## PROPOSAL 1 ENDORSED AT MASS MEET NOV. 1

By CLYDE T. GORDON  
Albany citizens Wednesday night at a well attended mass meeting held in the Cornell School auditorium wholeheartedly voted to endorse Albany Proposal No. 1 for Post War Planning and Development. The endorsement was unanimous with the exception of one dissenting vote.

The purpose of the evening was an inspirational address given by Gardner Johnson, Albany-Berkeley representative in the State Assembly and an almost 100 per cent attendance by city officials. The meeting was opened by Mayor Bert Hill, with a few well chosen remarks, and the introduction of the featured speaker.

Assemblyman Johnson opened his remarks with the statement that the California Legislature has gone on record for post war planning now ... that the State is in step with the entire country and that the local program is in line with the program set up by the Council of State Governments which was adopted a year ago for local communities.

He stated that the State of California has already set up the machinery to help local communities when in June it appropriated ten million dollars to match local funds for drawing plans and acquiring sites, his money earmarked for the cities of the State in proportion to population.

"Proposals such as the one Albany citizens will soon vote upon," he declared, "when properly carried out on a nationwide scale, will go a long way to prevent a repetition of the role experienced in the State of California when during the period from June 1933, through January 1940, seven hundred million dollars was distributed in this State for direct relief, with no street improvements, schools, sewer projects, airports, city halls or other permanent structures marking this huge expenditure of state money."

The Assemblyman continued, "The proposed tax levy dedicates funds to a needy purpose where the community will gain something substantial and serve as a prime instrument for taking up the slack during the post-war transition period.

"The State is definitely committed to provide gainful employment for its people, but has not, however, set its sights only on public construction, it is estimated that only 4 per cent of the estimated unemployment can be taken care of in this manner, the balance therefore must be taken up by a long range plan of industries, market development, and seeing to it that war time plants now financed by government money are continued or peace-time production."

He warned that unless we plan wisely now, the money invested by the United States in West Coast war plants will be lost and the plants possibly dismantled and shipped East to the Orient, with the further possibility of being sold for 10 cents a dollar.

Johnson concluded with the statement, "As much and probably more than the ten million dollars already aside will be forthcoming from the legislature in January ... the answer lies within your own city ... you can raise the matching funds, a state will assist ... if not, no financial assistance can be expected."

Following the Assemblyman's talk William Garren, member of the Post War Planning Commission and chairman of the evening, called upon various civic leaders for their opinions on the measure. Responding with short talks were Larry Williams, F. Cleary, Frank Graeber and Hank Hays, all members of the City Council; Joe Young, city attorney; Grace Higgins, city treasurer; Artie McLean, city clerk; Frank Young, city engineer; Robert McCullough and Myles Perkins, members of the Planning Commission; Edwin Wells, superintendent of recreation; Superintendent of Schools Paul

## Breakfast Clubs To Meet Sunday

The Palm Garden Restaurant on Solano Avenue will again be the setting of the Sunday morning meeting (Nov. 5 at 9 a. m.) of Albany Men's and Women's Breakfast Clubs. The women are to be hostesses at this meeting and have promised an interesting program. Reservations for breakfast may be made by telephoning LAndscape 5-1771 or LAndscape 5-1500.

## Johnson Selected For Important National Post

Appointment of Assemblyman Gardner Johnson of Berkeley to represent the 11 western states on the Drafting Committee of The Council of State Governments was revealed today in a news dispatch from Chicago, Ill., national headquarters of The Council of State Governments.

In announcing Johnson's selection to the important national committee, Frank Bane, executive director of The Council of State Governments, points out that The Council of State Governments serves as a clearing house for all state organizations in the Nation, including the California Commission on Interstate Cooperation of which Assemblyman Johnson is a member.

Serving with the Berkeley-Albany Assemblyman will be Attorney General Francis Biddle, Washington, D. C.; Harrington Adams, deputy attorney general of Pennsylvania; James C. Wilkes, chairman, Commissioner of Uniform State Laws of the District of Columbia; Harold C. Ostertag, of the Committee on Interstate Cooperation, New York; Attorney General Francis A. Bollaert of Connecticut and president of the National Association of Attorney Generals; Attorney General John M. Rankin of Iowa and Attorney General Abram P. Staples of Virginia.

Purpose of the important Drafting Committee, under the chairmanship of Commissioner James C. Wilkes of the Uniform State Laws of the District of Columbia, is to prepare necessary and uniform state legislation which in turn will be presented to the various state legislatures when they convene next January.

**Albany High P.T.A. Have Dads' Night**  
One of the outstanding customs of the Albany High School P. T. A. is to have an evening meeting to which the Dads' Club members are invited. This semester November 9 has been set as the date for this joint meeting which is expected to be, as in other years, a high point for the year.

In continuance of a study of home standards the questions for discussion at this meeting will be "How Can Homes Affect the Life of Our Community?" Representatives of an East Bay industry having labor management relationships, and a home which backs that industry, will be interviewed informally in answering this question. There also will be entertaining musical numbers.

All parents, teachers and any interested persons are cordially invited to be present for a friendly, informal evening.

**Bazaar Nov. 9**  
The "Village Streets Bazaar" will be held at the Community Church, corner of Marin and Stannage, November 9, it is announced by members of the ladies' society. Lunch will be served at noon and there will be booths where aprons, towels, pillow cases and many novelties are sold. A turkey dinner will conclude the day. It is suggested that reservations be made early for this dinner by calling LAndscape 5-7326 or L.A. 5-2666.

## War Chest Expresses Thanks To Co-Workers

As part of the Albany-Berkeley-Kensington War Chest drive, Albany was actually the first community in the State to go "over the top" in this fall's campaign, according to Paul Bryan, chairman of the Albany Division of the drive.

In reporting a total of \$8234.65 for 1128 per cent of total quota at the final report meeting, Bryan paid tribute to the enthusiasm and hard work of the Albany volunteers who put their divisions over the top on time. Additional contributions are still coming in from those not reached during the campaign, "General" Bryan reports.

"It is not possible to personally thank all those who had a part in the success of the drive," he stated. "But we are pleased to express our appreciation through the columns of the Albany Times to the many who gave hours of work as volunteer canvassers, and to the generous contributors who, after all, are the ones to whom final credit is due. The people of Albany have shown their generous spirit of giving in the way they have answered this humanitarian appeal."

**Albany Pre-School Mothers' Club Hold Halloween Party**  
Cornell School was the setting of a gala Halloween party on Saturday, October 28th at 8 p. m. for the parents and friends of the Albany pre-school children.

Guests were greeted at the door by the president, Mrs. Ernest Baxter, where each was given a hat and their name to wear during the evening.

One by one, the guests were admitted to the "Horror Chamber," where ghosts, goblins, and even one "departed soul" in a casket were on hand to make them feel welcome.

After leaving the "Horror Chamber" each guest entered the dimly lighted auditorium, which was beautifully decorated with jack-o-lanterns, ghosts' skeletons, scarecrows, witches, cats and bats, where dancing was in progress.

To help get acquainted, there was a suitcase race, after which a "shadow show" took place. The "patient", Mrs. M. C. Heinkel was "operated" upon by "Dr. Killum," Frank Takken. The audience witnessed the spectral by means of shadows on a sheet. A number of very peculiar articles were found to be causing the "patient's" trouble.

To prove that the eye can be deceiving, shadows of various well known articles were cast on a sheet. Guests found it very difficult to name each correctly.

Various other games were enjoyed, some of which included Wink-em, dodge ball, darts and a broom dance.

The evening was highlighted by a skit written and directed by Mrs. Frank Takken, in which a day at the pre-school was depicted. The part of Mrs. Nell Curran, director, was taken by Mrs. Herman Hofflinger, and that of a "participating Mother," by Mrs. A. B. Hoxworth. The part of the "children" were played by, Mrs. C. McKeown, Mrs. C. B. Fish, Mr. McHeinkel, Mr. and Mrs. Charles Markley, H. Hofflinger and F. Takken.

During the course of the evening dancing was enjoyed after which cider, doughnuts, and popcorn were served to approximately fifty guests.

Members of the committee included: Mrs. Frank Takken, chairman; Mrs. H. Hofflinger, Mrs. M. C. Heinkel, Mrs. Charles McKeown, Mrs. Ernest Baxter and Mrs. Douglas Sturges.

A special vote of thanks is expressed to Mr. and Mrs. Frank Takken, who made and donated all of the decorations, and who directed the evening's entertainment.

## Legion Post to Initiate Large Class Of Candidates

By WALTER HOLLAND  
In keeping with the policy of the American Legion setting the month of November as membership month, Albany Post 292, under the direction of Russell Rothschild, is putting on the most concerted membership drive in the history of Albany Post.

To start the new year off the Legion's first large class of candidates, veterans of both World Wars, will be initiated and welcomed into Albany tonight (Friday, November 3) when the Post meets in the Albany Memorial Building. The reorganized ritualistic team under the leadership of Walker Lyon will take the places and stations of the regular officers to initiate the candidates.

The State Department has set the quota of Albany Post for 1944-45 at 213 members to be reached by April, 1945. However, the Post has set its own quota at 213 by January 1 and 300 veterans in Albany Post as members by July 1, 1945. There is a trophy offered by the State Department for Posts reaching their quotas by January 1 and Rothschild is determined that one of these trophies shall be in the Albany Post trophy case by January 1.

The Post's campaign committee for State Proposition No. 1 on the November 7 ballot (the \$30,000,000 bond issue to extend the privileges to veterans of both World Wars toward buying homes and farms after their return from services) will give final instructions and advice to campaign workers tonight. Chairman for the veterans welfare bonds for the local Post is George W. Hickman and working with him on the general committee are Lawrence Williams and William Garren. Mrs. Louella Houser is chairman for the American Legion Auxiliary Unit No. 292, and is also on the county wide committee which is headed by Sheriff Jack Gleason.

**Eagles Turkey Whist Nov. 13**  
Members of Bayview Aerie, Fraternal Order of Eagles, today issued an invitation to all residents of Albany and their friends, to join them in a turkey whist party Monday evening, November 13, at the Maccabees Hall, Kains and Marin Avenues.

Turkey orders and merchandise prizes will be given to the high scorers of the evening. Score cards at 50 cents may be obtained at the hall, according to Myron W. Minster, head of the committee in charge of this, the first of a series of two whists to be sponsored by the local Order in November and December.

Assisting Minister in preparation for the affair, which is scheduled to start at 8 p. m., are George McConnell, George Glavinovich, Matt Zack, Harold Brothers, Emil Swan and Robert McCullough.

**Mrs. Thelen Honored**  
After being issued a special invitation to the annual banquet of Pacific Lodge No. 155, I. O. O. F., San Francisco, Mrs. Natalie Thelen was further honored when, during the entertainment, she was presented with a beautiful orchid corsage in memory of her husband, the late Charles Thelen and in honor of his two sons who are now in the armed forces. Mr. Thelen had been an I. O. O. F. member for 45 years.

Accompanying Mrs. Thelen to the affair was her daughter, Mrs. James McLeod of Brighton Avenue who was presented with a gardenia corsage.

pressed to Mr. and Mrs. Frank Takken, who made and donated all of the decorations, and who directed the evening's entertainment.

## Albany Masons to Hold First Meeting

On Tuesday evening, November 7, at 8 o'clock, there will be held a stated meeting of the Albany Lodge of Masons in the Maccabee Temple at Kains and Marin Avenues.

This being the first meeting of the newly organized lodge, it can be safely predicted that it will be a memorable one. Principal speaker will be Brother Sam Worswick who, according to reports, throws his punches from where his fists happen to be. Various presentations are to be made from other organizations which promise to be on hand to help successfully launch the new venture.

Louis Miller will preside and he cordially invites all interested Master Masons to attend.

**Kindergarten Tea at Marin Voted Success**  
The final tea in the fall series of Friendship teas for Marin School was held on October 30 for mothers of fourth grade pupils. The tables were garlanded with chrysanthemums and pien cones and boughs. Tall yellow candles gave off a sunny glow even though the weather was "on the rainy side."

Mrs. G. S. Klarmann, room mother chairman, complimented the guests and introduced Superintendent of Schools Paul Bryan, Principal Eugene Baker, Night School Principal Donald Rowe and Mrs. E. H. Schorsch, P. T. A. president.

Room mothers for this lovely tea were Mesdames R. J. Meyer, S. W. Thompson and Mrs. G. McDonald. Assisting them were Mesdames Charles Moore, E. J. Carter, E. Jacobsen, W. L. Collyer and W. E. Johansen.

**Schools Benefit by Proposition No. 9**  
If Proposition No. 9 is approved by the voters of California on November 7 the Albany City Schools will receive \$80 per elementary school student for educational purposes, instead of the present \$60 allotment per student. This increase would mean that the Albany Schools would be financially able to improve the school health program, provide for smaller classes (avoiding the present overcrowded conditions), give more individualized instruction in the fundamental subjects, provide better teaching materials and have more adequate library service.

According to school officials approval of the measure will not cause an additional burden for taxpayers since it will merely allot funds to the schools which now are collected from the State Income Tax and the State Sales Tax and are available in the State Treasury.

**Albany Girl in Women's Army Corps**  
Another Albany girl, Miss Edna Townsend, daughter of Mr. and Mrs. Herbert F. Townsend, 816 Pomona Avenue, has been called to the colors and will leave November 12 for duty and training at Fort Des Moines, Iowa.

Miss Townsend, a graduate of Albany High School with the class of 1941, enlisted in the Women's Army Corps as an Air WAC, October 25. For the past three years she has been employed in the auditing department of Permanente Metals as senior freight auditor.

Her father, "Bert" Townsend is secretary of the local Aerie, Fraternal Order of Eagles, a post he has held for the past three years, and is well known in local civic and fraternal circles.

It is the duty of every American citizen to cast a vote November 7. It is the day you may express your party choice. Do not neglect that "duty and right."

## OFFICIALS RECOMMEND LOCAL PROPOSALS

TO THE CITIZENS OF THE CITY OF ALBANY:

The City Council of the City of Albany has unanimously requested and authorized me to endorse, on behalf of said City Council, both the first and second proposals to amend the Albany City Charter as presented in the election to be held November 7, 1944.

The first proposal is to permit the levy of an additional amount up to 35c on each \$100 valuation for post-war purposes, in order to obtain contributions from the Federal and State Governments in connection with the various projects which are being considered for post-war work. We urge every citizen to vote in favor of said Proposal No. 1.

The second proposed amendment concerns changing the present civil service board from the Mayor, City Treasurer and City Clerk, three elected officials, to a board of five members to be appointed by members of the City Council, the civil service board also constituting the trial board in the event of discipline for civil service members of the police and fire departments. In the past, it has been extremely embarrassing for elected officials to sit in judgment on other city employees and officers. We therefore urge every citizen to vote in favor of this Proposal No. 2.

BERT E. HILL,  
Mayor of the City of Albany.

**Recreation Supt. Howell Urges Support Of Proposal No. 1**  
Edwin S. Howell, Superintendent of Recreation stated today that it was only fitting and proper that the Recreation Department state its present and post-war needs. He pointed out that the citizens of Albany will be voting on a charter amendment, Albany's Proposal No. 1, on the November 7th ballot, and urged that the voters consider the present and post-war needs of the Recreation Department.

Howell pointed out that it is a recognized fact that there is a definite need for a Municipal Recreational center large enough to accommodate the physical and social needs of children and adults residing in Albany. Space should be provided in this center for the Pre-school Play Center, Girl Scouts, Boy Scouts, Campfire Girls and other youth and civic organizations.

"Today, we find Albany without an adequate public recreational center at a time that delinquency is growing in the Bay area as it will continue to grow in the post-war era unless adequate recreational facilities are provided for its citizens," he declared.

"If we were to survey other recreational needs," Howell emphasized, "we would find a playground has long been needed on the west side of San Pablo Avenue ... the remodeling of Terrace Park is essential if that area is to serve its purpose ... Memorial Park improvements are badly needed and the addition of night softball lights would afford teen agers and adults evening leisure opportunities for play ... Marin and Cornell School playgrounds are inadequate to meet the present school enrollment and should be expanded to provide adequate educational and recreational opportunities for that age group and swimming facilities are needed in Albany as there is a large demand for that type of education and recreation for our adults and children."

Superintendent Howell concluded, "We are not dreaming when we state that the recreational needs for Albany and the country as a whole will be far greater in peace time than they are at the present.

If the above work is to be accomplished, the city of Albany must have funds to match other federal and state funds that are available. This can only be accomplished by the passing of Albany's Proposal No. 1 on the November 7th ballot as the city of Albany's present financial system makes it impossible for any expenditures other than normal departments salaries, supplies and minor improvements."

**Pimental Outlines Fire Dept. Needs**  
Fire Chief Fred Pimental today outlined his reasons for endorsing Proposal Number One to the Albany City Charter in a statement in which he declared, "In answer to numerous requests as to why our future Fire Department need are in the post-war era, and as to how the approval of Albany Proposal No. 1 would affect our department, we wish to state as follows:

"The past three years," Pimental continued, "our Fire Department has definitely been under staffed and lacked adequate space and equipment. The reason for this situation is due primarily to the fact that the community has grown to the point where the present city budget fails to meet the requirements of the various branches of our city government. Without federal assistance, we would be unable to meet the present impact facing the City of Albany today."

"Therefore," he concluded, "the city is to take its place in post-war re-employment and maintain adequate fire fighting facilities, it will be necessary that the Albany Proposal No. 1 be approved by the citizens of Albany at the November 7th election."

**Police Chief Williams Endorses Proposal 1**  
Acting Chief of Police, Stanley Williams today released his statement endorsing Albany's Proposal No. 1 to the city charter. Chief Williams stated, "The Albany Police Department, in answer to requests as to what our needs would be in the post-war era, and to what extent the passing of the Albany Charter amendment known as Proposal No. 1 would affect the Police Department, is taking this opportunity to point out the following facts."

He continued, "Our Police Department needs additional facilities and equipment that have not been available since the inception of war and due to lack of city fund many improvements were not possible."

"If we are to maintain a high standard and efficient operation of our Police Department in the post-war era," he said, "it will be necessary that adequate means are found to provide revenue."

"We are aware of the fact that the City of Albany has grown in population and will continue to grow in the post-war period. Therefore," he concluded, "favorable approval of Albany Proposal No. 1 at the November 7th election, thus allowing the city additional funds to be matched by other State or federal funds that may be available, will definitely help the city in solving many of the future needs of our Police Department."

**Blow Presents Information on Proposal No. 1**  
E. C. Blow, Chairman of the Albany Post-War Planning Committee, today issued a statement to the Citizens of Albany urging favorable consideration of Albany's Proposal No. 1 in the forthcoming election.

# VOTE YES ALBANY PROPOSAL No. 1

## Post War Planning and Development

## Rotarians Hear Talk on East Bay Sewerage District

At a recent Monday noon luncheon the Albany Rotary Club members were given many enlightening facts about the proposed District Sewerage of East Bay cities by Harry Neville Lee, consulting engineer of Palo Alto. Mr. Jenks was introduced by Engineer Frank Grey and his press, in part, follows:

Having been invited to speak at the luncheon meeting today, I would like to bring to your attention the case for rational sewer disposal for the East Bay

cities. The need for the elimination of sewage odor nuisance and unsightliness at specific points along the East Bay waterfront is evident to all, but the questions of procedure and costs of accomplishing the desired sanitary improvements are still obscure to many.

Ever since the proposed program of East Bay sewage disposal the public has been persistently told that only through the formation and operation of a Sanitary District can the best interests of the East Bay communities be served in respect to sewage disposal. To this end the inclusion of Berkeley and Albany in such a district will be on the ballot at an election to be held November 7th of this year.

Quite apart from the fact that

the construction and operation of individual municipal sewage disposal projects for the cities of Albany-Berkeley and for Alameda would result in financial savings as well as other local benefits to the taxpayers which in itself makes the formation of a sanitary district entirely redundant, no specific plan of disposal has been adopted nor specific distribution of costs been agreed upon by which the voters in the coming election can judge the consequences of placing themselves under the political authority and financial control of such a district. Furthermore, implicit in the formation of a sanitary district is the construction of a joint sewage disposal project; otherwise there is no need for the creation of such a centralized super-government in the sanitary affairs of the East Bay communities. When, as is now beyond question the case, individual municipally owned and operated projects are not only more economical but far more desirable from the standpoint of local self-

government and control, the installation of a district scheme of disposal is not only unwarranted, but the delegation of the well-established municipal function of sewage disposal to any overlying district is indeed contrary to the public interest.

For the past thirteen years I have studied and advocated an economical and useful engineering plan of sewage disposal for the City of Berkeley, including also the City of Albany. In a memorandum to the City Manager Thompson, of Berkeley, dated August 24, 1931, and again in a discussion presented before the meeting of the Richmond-Berkeley Harbor and Industrial Committee on February 9, 1932, I called attention to the fact that the City of Berkeley is itself in a particularly advantageous position to undertake the proper sanitation of its own waterfront and that of Albany, and to avail itself of the byproducts of modern sewage treatment.

To discuss in detail the Berkeley-

Albany project which I have proposed in the foregoing instances is beyond the scope of this summary of engineering facts, but suffice it to state that it embraces essentially the interception of the sewage of the entire City of Berkeley and of Albany up to three times the normal dry-weather flow of ten million gallons per day (m.g.d.) for an estimated future population of 150,000. The intercepting sewers comprise a south branch leading from Ashby Ave. to a sewage pumping plant at the north end of the Aquatic Park, and a north branch extending from the Buchanan St. sewer along Second St. to the pumping plant. The pumps discharge the sewage through a force main to the treatment plant, located near the outer end of the Berkeley Yacht Harbor, whence the effluent will flow through an outfall line along the Berkeley Pier to diffusion outlets in the Bay. The

three independently developed designs and reports by myself and Messrs. Goodridge and Lee, which are on file with the City Clerk in Berkeley, and are available to the public for their information and guidance, are in full agreement on all fundamental features of the proposed project. It should also be borne in mind that the cost estimates have been prepared in detail

and are based on practical rather than academic experience, and can all be appraised and confirmed in the light of experience in the construction and operation of the three fully comparable projects of sewage disposal which I designed as consulting engineer for the Cities of Burlingame, San Mateo, and San Leandro, all located on San Francisco Bay.

The estimated construction and annual operating costs for the Berkeley-Albany project of sewage disposal are as follows:

Proposed District \$1,564,000 and \$156,200 respectively.  
Berkeley City Engineer \$1,090,000 and \$94,850 respectively.  
Chas. H. Lee \$1,242,546 and \$120,160 respectively.

## "Still the Right Man Now More Than Ever"

# The Stamp Of Approval

During the past ten years more than 500,000 voters have marched to the polls and put this stamp "X," opposite the name of JOHN H. TOLAN for Congress.

### CHARACTER AND ABILITY

In the ten years that John H. Tolan has been your Congressman he has established an enviable record of accomplishment. He has been accessible to all, REGARDLESS OF PARTY, CREED OR RACE. He has given conscientious and workmanlike attention to the duties of his office. His character and ability have earned him a ranking membership on the powerful Judiciary Committee.

### ON THE JOB

Congressman Tolan's intimate knowledge of procedure and of the personnel of Washington Committees and Departments, plus his unusual talent for making friends, is invaluable in getting action for our District.

Officials of Oakland, Berkeley, Albany, Emeryville and Piedmont, as well as business men, committees, individuals, will testify that John Tolan gave them his immediate attention, advised them wisely and rendered all possible assistance in solving their problems.

### ACCOMPLISHMENT

In addition to his own endeavors, Congressman Tolan successfully co-ordinated the work of many bodies to bring to this District millions of dollars of government projects and installations eagerly sought and fought for by other localities. During his terms of office the Government has invested over \$125,000,000 in this District; the Pacific Fleet Supply Base, the Quartermaster's Headquarters for the 11 western states and the Pacific, the Alameda Naval Air Base, etc., etc. These permanent projects provide an annual payroll of over \$30,000,000.

### NATIONAL RECOGNITION

The TOLAN CONGRESSIONAL COMMITTEE held hearings from coast to coast to investigate shifting populations and living conditions of defense workers. It focused the attention of the nation and the Congress on these critical domestic problems caused by the war, and was responsible for remedial legislation enacted.

The Committee also led the fight in Congress to help the distressed small business man. Through its recommendation, Congress created the Smaller War Plants Corporation which diverted war contracts to small business men and loaned them money to convert to war production.

The work of the Tolan Committee has been highly commended by outstanding legislators, heads of Universities, economists, executives and editorial writers.

# BERKELEY AND ALBANY BEWARE!

When a Political Stranger Rings Your Doorbell or Telephones You

DO YOU KNOW THAT THE CIO POLITICAL ACTION COMMITTEE  
IS "MUSCLING IN" ON BERKELEY AND ALBANY?

- 1. DO YOU KNOW** that the CIO Political Action Committee's Alameda County Unit brags that it "drafted" one Jeffery Cohelan (a professional labor organizer) to run for the State Assembly in our 18th Assembly District against incumbent Assemblyman Gardiner Johnson?
- 2. DO YOU KNOW** that CIO-"Drafted" Jeffery Cohelan's sworn statement of expenses, filed with the Alameda County Clerk on May 29, 1944, shows that he spent \$1,250.21 (MORE THAN ONE YEAR'S SALARY IN THE STATE LEGISLATURE) in his Primary campaign, and that he received part of it from the CIO Political Action Committee's Political Fund—a fund that Harry Bridges says "is more important than any strike fund?"
- 3. DO YOU KNOW** that Jeffery Cohelan has aided the CIO Political Action Committee's attempt to capture the Democratic Party's political machinery by appointing the local secretary of the Alameda County CIO Political Action Committee to the Democratic State Central Committee—the party's official organization in California?
- 4. DO YOU KNOW** that the paid political workers and the members of the "American Youth For Democracy" (successor to the Young Communist League) who are ringing your doorbells and calling you on the telephone to urge you to vote for Jeffery Cohelan have also been "drafted" for "political action" by the CIO Political Action Committee?
- 5. DO YOU KNOW** that the CIO Political Action Committee's Alameda County political director is a former editor of "The People's World," recognized as the Communist Party's official newspaper in California?

**Attending Armstrongs**  
Gloria Miller, daughter of Mr. and Mrs. Leonard L. Miller, 1066 Marsonic Avenue, is one of the members of the largest freshman class entering

Armstrong College in Berkeley since the beginning of the war. Miss Miller, who is taking a private secretarial course, has been an honor guest at several functions that have been given for the incoming class.

**FISHING PARTY**  
For a "tryout" run of his new boat recently, Wiley Stagg was host to a number of local fishermen which included Freddie Agabashian, Earl Ivy and Floyd Purcell.

Each fisherman claims he caught the limit of striped bass with weights varying from 8 to 10 pounds per fish. This reporter does not doubt the "trial run" of the boat—but those "I caught the limit" fish stories have us wondering.

Remember—You have a date at the polls Tuesday, November 7. It is your duty to vote!

**Rotarians Hear Sewerage Talk**  
(Continued from page 2)  
Harry N. Jenks \$919,600 and \$80,200 respectively.  
A further advantage inherent in the Berkeley-Albany project is the possibility of constructing the sewage works on a unit basis, beginning with the simplest treatment and proceeding over a period of years to complete treatment when and if that should ever become necessary. Thus the reported costs for the Berkeley-Albany system can be further reduced below the present estimates, if desired.

Apart from the foregoing considerations, the City of Albany is in a position to remain out of a district scheme in any event, in view of its contract with the City of Berkeley, embodied in Resolution No. 17,418 N.S., dated October 15, 1929, by which the City of Berkeley agreed to handle the sewage of the City of Albany in perpetuity without charge to the City of Albany, for certain privileges granted at that time by the City of Albany to the City of Berkeley in respect to sewer construction undertaken by the City of Berkeley in the City of Albany. This agreement is and will remain in full force and effect, and no further action need be taken by the City of Albany to dispose of its sewage.

The substantial savings in cost of the proposed Berkeley-Albany municipal sewage disposal project have been fully verified by three independent engineering studies as outlined in this discussion. The economy and desirability of this rational basis of sewage disposal, as compared with the elaborate scheme of the proposed sanitary district, is further confirmed by the practical experience of all other cities located on San Francisco Bay which have installed their own sewage treatment plants.

At the November 7th election, therefore, the taxpayers and citizens of Berkeley and Albany are fully justified in VOTING "NO" on the proposition of the East Bay Municipal Utility District to include in its boundaries the cities of Albany, Alameda, Berkeley, Emeryville, Oakland, and Piedmont, for sewage disposal purposes. This is a problem the individual groups of East Bay cities can most advantageously handle by and for themselves, from the standpoint both of cost and the public interest as related to local self-government.

# VOTE YES ALBANY PROPOSAL No. 2

This proposal will create a Civil Service Board of five members, to be appointed by members of the City Council, in place of the present antiquated board consisting of the Mayor, City Treasurer and City Clerk.

The proposal carries the full endorsement of all three of the above mentioned city officials, who, being elected officials, desire to avoid the embarrassment of sitting in judgment of other city employees and officers as is now the case.

## French Class Dinner

Under the supervision of Mrs. Edith Brightman the advanced French classes of A.H.S. will hold a dinner party on November 3 in the cooking department of the school. French decorations, music and food will be featured. The four-course dinner will include many of the French dishes celebrated in song and story.

On November 22 the French class will also attend the San Francisco ballet, "Le Bourgeois Gentilhomme," with Mrs. Brightman. Tickets and transportation are under the charge of John Hastings.

## Marin Kindergarten Hold Tea Oct. 24

One of the outstanding teas of the year was the Kindergarten tea held at Marin School on Wednesday, October 25th.

The children made the invitations using the colors of the French flag as part of their present project. These colors were carried out in the beautiful decorations in the cafeteria with the red, white and blue of our American flag. White cake with a small American flag in each serving was enjoyed.

A program was given in the Kindergarten room to 60 very interested mothers.

Lovely corsages of red, white and blue were presented to the guests: Mrs. Doris Maier, teacher of speech; Mrs. Norma Carr, school nurse; Mrs. V. A. Niemi, second vice-president of the P.T.A.; Mrs. G. F. Garmann, chairman of the room mothers; Miss Erna Seeger and Miss Alice Prat, kindergarten teachers.

Paul Bryan, supt. of schools; Eugene Baker, Marin principal, and D. N. Rowe, Albany night school principal, also were guest speakers. The Room Mothers responsible for this successful affair were Mrs. H. M. Whitney, Mrs. S. N. Nelson, Mrs. H. Y. Heath, Mrs. Geo. F. Klamann, Mrs. Chas. O. Utterbach, Mrs. E. L. Cox and Mrs. J. D. Durham.

## St. Alban's

"The Significance of Confirmation," the first of a series of four sermons summarizing what an Episcopalian ought to know, will be the topic of the sermon by Dr. Randolph C. Miller Sunday. During the service, all those who have been buried from St. Alban's will be remembered at the altar, as well as those who have died in the services of their country.

The Bishop Parsons Club for young people will meet at 7:30 p.m. at 1335 Washington Street, Albany.

## Final Touches on Junior Play

"Ever Since Eve" the now famous title around A.H.S. is receiving the finishing touches this week under the guiding hand of Mrs. Jane Carlson, director. Scenery assembled by Hans Enge which will depict a high school editor's combination office, home and bank, has been moved into place for the exciting moment, 8 p.m. November 10, Friday.

Besides a concealed football captain, Lloyd Ferguson; a sympathetic high school principal, Richard Pickering; a harassed journalism teacher, Irene Godfrey the cast includes a southern belle (portrayed by Glenna Edwards) who brings

## THEIR VOTES WILL DEFEAT ANOTHER COMMON ENEMY

LABOR and MANAGEMENT will go to the polls together on November 7th to vote NO on PROPOSITION No. 12

JUST AS THEY are working together to defeat the enemy who sought to destroy us from without, so they are voting together against those who seek to destroy us from within.

Every labor organization in California is against Proposition No. 12. Nearly every employers' organization (except that small and selfish band of Southern California industrialists who are its sponsors) is against this vicious measure. So are religious and civic bodies, political, civic and industrial leaders.

Don't take our word for that statement. Here is a partial list of those who oppose No. 12 and who ask you to go the polls November 7th to join them in voting NO on Proposition No. 12.

# ALBANY PROPOSAL No. 1

POST-WAR PLANNING

Proposes an additional levy of 35c per \$100 for Post-War Planning and Development over a period of ten years.

The yearly revenue raised by this proposal (estimated at \$29,000) is expected to be matched both by the State of California and Federal Appropriations.

This levy will cost the average home owner approximately \$5.00 per year.

Further broken down, based upon the present 14,000 population of Albany, this means \$2.00 per resident per year, less than five (.05c) cents per capita-week.

## St. Louis Hardie Issues Statement

able to be present, due to commitments, at the city mass meeting held Wednesday at Cornell School, Judge J. J. Hardie, released the following statement to be read to the mass assembled and for publication:

"It should be clear to everyone sufficient under standing, that the war in order that returning men and women be properly employed. If this is done the seeds of a second session might be sown . . . must not happen.

From my knowledge of the needs of the city government, it is no question that any pro-

gram involving the expenditure of funds over and above those necessary for the ordinary expenses of government could not be undertaken with an additional assessment being levied. This can only be done by a vote of the people.

"Every citizen should count it a privilege to take part in providing the necessary funds, but should not stop there. Taving a direct interest in the matter, all citizens should interest themselves in the expenditure of the funds in order that the said funds may be expended in such manner as to obtain the maximum good for all concerned.

"Naturally as a citizen, a home owner and a Public Official for more than ten years, I am deeply interested in the welfare of all our people. It is therefore my belief that the proposal should be supported."

## LET'S HAVE ADEQUATE FIRE PROTECTION

FIRE CHIEF FRED PIMENTAL SAYS:

"In answer to numerous requests as to what our future Fire Department needs are in the post-war era and as to how the approval of Albany Proposal No. 1 would affect our department, we wish to state as follows:

"The past three years our Fire Department has definitely been under-staffed and lacked adequate space and equipment. The reason for this situation is due primarily to the fact that the community has grown to the point where the present city budget fails to meet the requirements of the various branches of our city government. Without federal assistance we would be unable to meet the present impact facing the City of Albany today.

Therefore, if the city is to take its place in post-war re-employment and maintain adequate fire fighting facilities, it will be necessary that Albany Proposal No. 1 be approved by the citizens of Albany at the November 7th election."

FRED PIMENTAL,  
Fire Chief.

# VOTE YES

## ALBANY PROPOSAL

### POST-WAR PLANNING

No. 1

## City Officials Endorse Proposal No. 1

(Continued from page one)  
City and National election, November 7.

Blow opened his statement, "Appearing on the November 7, 1944 election ballot is a very important charter amendment known as the Albany Proposal No. 1, which is asking for an increase of 35c per \$100.00 assessed valuation in the city's tax rate. This proposal will remain in effect for a period of ten years; said funds to be used exclusively for post-war planning and development.

"The end of the present fiscal year 1944-45 finds Albany among the few cities in California which has no bond indebtedness. We are fortunate in Albany, in that the city has had a natural growth in homes and our building program was well established at the beginning of the present war.

"However," he pointed out, "the time has come for the citizens of Albany to look towards the post-war planning and future of our city. Your Post-War Planning Committee has been working on plans and development of the city during the past year, and has tentatively arranged a program that is vitally needed in the post-war planning of Albany.

"Among the important projects in this program," he continued, "is the development of a park on the west side of Albany, the improving of recreational facilities at Memorial and Terrace Park and plans to beautify our city in general. We must provide more recreational facilities and expand wholesome activities for our children, in order that we may combat the growing wave of juvenile delinquency throughout the country."

Chairman Blow further stated: "We assume that funds will be available from the state and federal government, to be used in post-war planning, said funds to be matched by the City of Albany. Therefore, Albany's Proposal No. 1 was placed on the November 7 ballot affording the City of Albany the opportunity to be prepared to take advantage of whatever funds that may be made available from the state and federal government for post-war planning. "Albany's Proposal No. 1," he emphasized, "is very important to the citizens of Albany. The Albany Post-War Planning Committee and your City Council felt it their duty to put this most important amendment before the voters of the City of Albany. If we had failed to inform our citizens of the importance of post-war planning, we would not have fulfilled our obligation to the City of Albany.

"Residents of Albany," Mr. Blow concluded, "this is your opportunity to plan for the future development of the City of Albany; therefore, the City Council has submitted for your approval Albany Charter Amendment Proposal No. 1 on the November 7th ballot."

## Scout Cub Pack 3 Holds Initiation

One hundred and twenty-five proud dads, mothers, and friends were on hand to witness the initiation, advancement, and graduation of pack 3 on Friday evening October 27th in the Marin School Auditorium.

Mr. Ziegelfuss, chairman of pack 3 opened the ceremonies by requesting cub Elwin Layton to lead the pledge of allegiance to the flag. After disposing of the preliminaries such as the introduction of various committee men, announcements, and picture taking, Assistant Cubmaster Tilsbury conducted the initiation of the following boys who became bobcats: Edward Beal, John Mooney, Bruce McGaw, Milton Wylie, Paul Collyer, and Richard Hanson.

The advancement ceremonies were handled by Mr. Mason Layton and the following boys achieved their Wolf rank: Roger Billman, Richard Anderson, Walter North, Robert Larson, Carl Anderson, and Philip Clover. Gold arrows were received by David Parks, Charles Berkquist, Louis Ansani, Norman Stewart, and Carl Anderson. Wolf silver badges went to Richard Robins, Wm. Sullivan, Russel Clark and Ronald Dallas.

The Bear rank was achieved by Richard Pawson, James Gray, Roy Wilson, Geo. Garrels, Roger Billman, Gordon Muir, Stanley Stanford, Ronald Dallas, Donald Civitusa, David Brison, and Jack Lockhart. Gold arrows were awarded to Royal Boggess, James Gray, Douglas Steele, Jack Nahmans, Geo. Garrels, Philip Johanknecht, Roy Wilson, Gene Markley and David Haines. Roy Wilson was also presented with the silver arrow.

Lion and Webelos badges as well as graduation certificates were presented to Douglas Steele, Ashford Pate, Jerome Bellerive, and Elmer Layton. Cub Layton also received his silver arrow. Cubs Steele, Bellerive, and Layton will join Scout troop 42 while Ashford Pate has decided to go into troop 46. Gold stars were presented to Robert Spry, Gordon Muir, Gene Markley, and Richard Pawson for one year's membership in the cubs and Elwin Layton, three years.

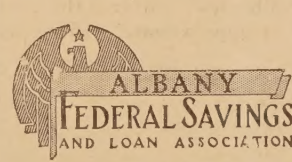

Cubmaster Crouse presented Mrs. John Mooney, new den mother of den 2 with a cub neckchief and Den Chiefs' cords were awarded to Earl Flegal, Den 2; Ronald Meringo, Den 3; Jerry Fox, Den 4; Floyd Weinberg, Den 7—other den mothers present were Mrs. Frank Gray, Mrs. Richard Pawson, Mrs. Marion Markley, Mrs. Rozelle Johanknecht, Mrs. Evelyn Schultz, and Mrs. Anne F. Wake-man, who were introduced to the audience by Assistant Cubmaster Weinberg.

## LOANS TO VETERANS

Under Title III of "G.I. Bill"

WE are prepared to offer all available information to veterans regarding home loans under provisions of the Servicemen's Readjustment Act of 1944. Veterans will be eligible to loans on their own homes for the following purposes:

- 1 A loan for the purchase or construction of a dwelling.
- 2 A loan for making repairs, alterations, or improvements in residential property.
- 3 A loan to refinance delinquent indebtedness on residential property.
- 4 A loan for paying delinquent taxes or special assessments on residential property.

## OPEN FORUM

Presented here are questions received as a result of an announcement in the Times, regarding Proposal No. 1 to Section 37 of the City Charter. The answers herewith have been prepared by members of the local Post War Planning Committee.

Question: Has the City of Albany set up a governing body to work on postwar planning and reconstruction?

Answer: Yes, the City Council by Ordinance No. 530 has set up a legal committee composed of 5 members who are actively engaged in preparing postwar projects.

Question: Is it true that some of the money raised by this additional levy will be used for the welfare of returning servicemen?

Answer: Yes, funds will be made available to the Albany Citizens Committee whose purpose and aim is to assist the returning servicemen and women in finding jobs or to further their education or profession.

Question: Is it true that the City of Albany is capitalizing on the Servicemen and women as a means of raising funds for postwar reconstruction?

Answer: No, in planning the postwar program it is not only the responsibility of the City of Albany to provide jobs for the returning servicemen and women, but to provide equal rights to all of its citizens to be gainfully employed in vitally needed postwar projects.

Question: Is Proposition No. 1 a political issue?

Answer: No, the amendment of Section 37 carries the endorsement and approval of civic, fraternal, religious organizations regardless of its members political affiliation.

Question: Who is the final authority charged with the responsibility of handling postwar funds?

Answer: The City Council as established by law. The City of Albany is prohibited from giving anything away. Funds expended must be handled through the City and approved by the audit and finance committee; and such warrants must be signed by the Mayor, City Treasurer, Auditor, and members of the finance committee.

Question: How will the Citizens Committee receive funds from the City to carry on welfare work for the returning servicemen and women?

Answer: The City of Albany will establish a budget covering the cost of operation of a returning servicemen's and women's agency.

Question: Have other cities established funds and plans for the postwar reconstruction era?

Answer: Yes, many cities, too numerous to mention, have established postwar projects and are in the process of drawing plans. Included in this group are Oakland, Berkeley, San Francisco, who have millions of dollars in postwar projects, ready for construction at the conclusion of the war.

## 'Y' NOTES

By ELMER COBLE

The Junior Leaders Corps of the Y.M.C.A. will start Tuesday, November 7, according to Elmer F. Coble. A selected group of boys will study, how to lead squads in gym work, learn coordination of mind and muscle, study life problems, how to handle attendance cards, lobby behavior, held in the swimming classes, and to put into practice what they learn. Selected to start the club are: John Bishop, Randall Booten, George Blitz, Bill and Keith Coffin, Lee Hayhurst, Phillip Kirgan, Jack Klein, Richard Pawson, Bill Pence, and John Schima.

The Boys gym class for grade school age have started on an all-around championship contest. Points are given on achievements dealing with skill, strength, and endurance. Boys between 8½ and 10 are in one division and between 10 and 12 another. Bruce Eley did the rope climb in 22 sec., and Chas. Gunther 14 sec. Bruce Eley leads in chinning with 5 and Lee Hayhurst has 9. The next event will be the push-ups.

## Grace Lutheran Church

Santa Fe at Ward

The Sunday School and Bible class meet at 9:45 a. m. A study of Old Testament characters is being continued in this quarter.

In the hour of worship at 11 a. m. the Rev. O. R. Janke, pastor, will speak on the Gospel for this Sunday using as his theme, "The Christian's Responsibility."

The Lutheran Hour, international Gospel broadcast, is heard locally over KFRC at 9:30 a. m.

# PROPOSED ALBANY CHARTER AMENDMENTS

FIRST PROPOSAL—Shall Section 37 of the Charter of the City of Albany, limiting the annual tax levy, exclusive of tax for other purposes now set forth in said Section, to One Dollar on each \$100 of assessed valuation, be amended to permit the City Council to make a special levy of an additional thirty-five (35c) cents on each \$100 of said valuation, the funds derived from said special levy to be used exclusively for post-war planning and development and creation of jobs, and the general welfare of Albany's returning service men and women of World War No. II., said special levy to be limited to ten (10) years?

Vote YES

SECOND PROPOSAL—Shall paragraph (a) of Section 49 of the Charter of the City of Albany which now provides for a civil service board consisting of the Mayor, City Clerk and City Treasurer, be amended so as to provide for a civil service board of five members, each member of the Council to appoint one member of the board, said members to serve without compensation; and providing that a person to be eligible to said office must have been a resident and elector in said City of Albany for at least three years preceding his appointment, and that no officer or employee of the City be eligible for such appointment; and providing further that said civil service board shall also constitute the Trial Board provided for in paragraph (r) of said Section 49?

Vote YES

**A Capella Lined Up**

The East Bay Choir Festival directors held their annual meeting Tuesday, October 17. The directors decided to hold the Festival next May 16, 1945 at the Oakland Auditorium Theatre, Ray E. Freeburg of San Francisco State College has been invited to act as guest conductor and Russell Badley is to officiate as critic.

twelve East Bay high schools in this organization. The directors are planning to hold another meeting in January to make final plans and elect a chairman for the Spring Festival.

According to Albany High School A Capella director, Stephen Lehmer, Albany will take part in the festival again this year. Last May Albany carried off first prize in the A Capella competition.

**Delegates Sent to Football Rally**

A preliminary to the Albany-Berkeley game last Friday, both schools held football rallies. Six Albany representatives took part in Berkeley's rally Friday morning, while Berkeleyans repeated the performance at Albany's noon rally.

At Berkeley, Albany's Student Body President Clyde Jeffrey gave a short talk on sportsmanship between the two schools, which was followed by a quick sentence from our two co-captains, Max Etingoff and Darrell McMorran. The mike conveniently conked out in the middle of Max's speech, so he had to yell out his speech. Albany's yell leaders, Jim Snowden, Bill Shyvers, and Pudge Stanford, led the Berkeley students in yells for both schools.

According to those who were at the rally, the Berkeley students had a great deal of spirit, but no more than the Albany rooters.

**COMMUNICATED**

The Harmonettes and myself wish to express our thanks for the generous cooperation given us towards our Xmas box which we presented to the U.S.S. Missoula at the official commissioning ceremony last Friday. We presented to Comdr. A. C. Kopper and his crew, Xmas gifts valued at \$1000 from the citizens of Albany. We especially wish to thank the following: Albany American Legion Auxiliary, V. F. W. Auxiliary, Ellis Mortuary, General Hardware, Max Etingoff, Joe Villa, Zinman's, O'Brien's Variety, Skip's Radio, Poppe Pharmacy, Yenne's, Students and teachers of Albany high school, Bert Hill, Hartley's, Albany Variety Store, Roberta's, Henry's, Olson's Drug, Kleinhammed Drug Store, Douglas Pharmacy, Geo. Hoffelder, Westbrae Variety Store, Jack's Fountain, Marcia's, Tuxedo Cleaners, Hulbert's, Hall's, Chelmedos, Alert Cleaners and the Theta Sigma Phi Sorority, and the many personal friends of the Harmonettes.

The Harmonettes gave a complete library to the equipment of the ship as their personal gift.

Due to this splendid response we are sure the U.S.S. Missoula will have a Merry Xmas, wherever they are.

Thanks to you all,  
JEAN HAYDEN,  
Director Harmonettes.

**Cornell School Invaded By Witches Tuesday**

The three R's were forgotten Tuesday at Cornell School when an invasion of witches, gypsies, pirates and numerous other characters took over the classes for a gala Halloween fete. Preceding the grand march and costume judging in the auditorium, individual parties were enjoyed in all the classrooms. Prizes were donated by the Cornell P.T.A. and members of the organization took over the very difficult role of judges.

Grand prizes were awarded to two teams. David, Wesley and Harry Shore as a horse and jockey provided much entertainment, and Billy Oates and Edward Triplett, as another horse, tied the awarding of a grand prize.

With Principal William Woolworth as master of ceremonies, the following children were awarded prizes: Charleen Roadman, Jeffery Grant, Lillian Nieper, Gary Grisham, Elaine Hildebrand, Bobby Weinzeimer, Gloria Benjamin, David Schiller, Patricia Quick, Kimball Giles, Barbara Kolari, Dennis.

Stebe Gould, Joyce Arlington, Jerry Blue, Georgia Ratkay, Gary Liotta, Norma Lee Willis, John Harvey, Roselyn Gaffney, Jerry Cornioli, Betty Kline, Edna Jurivich, Robert Iversen, Thelma Tandra, Allen Maze, Walter Hubbard, Marilyn Lowe, Betty Osborn, Herbert Layton, Arleen Murison, Jeffery Keppel, Connie Biagi, Jimmy Overstreet, Malcolm MacKenzie, Linda McKechnie, Arthelle Thompson, Alex Gavin, Glenda Gerlach, and Jean Gray.

**A.H.S. Students Set War Bond Purchase Record During Oct.**

A 99 1/4 per cent student participation record for War Bonds and Stamps was hung up by A.H.S. this week, according to Mrs. Eloise Denniss, faculty supervisor of stamp sales.

"This means that the posters, slits and advertising arranged by Student Committees have been more than successful in their goal of keeping the blue and white Minute Man flag flying," said Mrs. Denniss.

**The Seventh District Needs A REAL Voice in America!**

The incumbent, John Tolan, asks you to approve this voting record:

Voted against the Social Security Act! (HR 7620, 1935).	Voted against Lend-Lease in 1941!
Voted against the National Labor Relations Act (HR 9195).	Voted against extension and strengthening of the Civil Service Law eight different times.
Voted against the Anti-Lynching Bill on two occasions!	Voted against National Defense Act; Guam Harbor; Arming of Merchant Ships.
Voted against Mustering-out Pay for Armed Forces	

Failed to vote in 35% and 24% of Roll Calls on important measures during last two sessions. The worst voting record in Seventh District History!

Elect Nov. 7, a vigorous American—pledged to a progressive program of a strong world peace—abundance—American Free Enterprise—security for Labor, small business and returning Veterans—a voice for all!

LISTEN! READ! THINK! Then elect

**CALIFORNIA LEADERS COMMEND ASSEMBLYMAN GARDINER JOHNSON**

STATE CAPITOL PRESS PRAISES ASSEMBLYMAN GARDINER JOHNSON'S MERITORIOUS LEGISLATIVE SERVICE:

THE SACRAMENTO UNION,  
TUESDAY MORNING,  
MAY 4, 1943

By LAWRENCE BENEDICT

Individual citations for meritorious conduct in the legislative session ending this week are herewith issued as follows:

**Assembly**

Gardiner Johnson of Berkeley

—For straight thinking and particularly for his parliamentary knowledge and skill. By his ability to dig underneath and bring out obscure but important facts in connection with measures under floor consideration, he has contributed valuable public service. He is one of the most substantial and most useful members of the legislature.

**GOVERNOR EARL WARREN URGES ASSEMBLYMAN GARDINER JOHNSON'S RETURN TO THE LEGISLATURE:**

"Assemblyman Gardiner Johnson's experience and knowledge will be sorely needed in the State Legislature in Sacramento next January. I want you to know that we want him back there. We hope that the good people of Berkeley and Albany will remember to vote for him on November 7th, so that the entire State of California may have the benefit of his experience and knowledge."

**PRESIDENT ROBERT GORDON SPROUL LAUDS ASSEMBLYMAN GARDINER JOHNSON'S UNIQUE SERVICE TO THE UNIVERSITY OF CALIFORNIA:**

"Gardiner Johnson, the Assemblyman from the University District, has for many years rendered to the institution service almost unique in quality and quantity, in effectiveness and excellence—service far beyond the ordinary measure of duty, even, I might say, of filial duty, for Gardiner Johnson, as you undoubtedly know, is a son of the University."

**Recreational Facilities Needed**

SUPERINTENDENT HOWELL URGES FAVORABLE CONSIDERATION ON PROPOSAL No. 1:

"It is a recognized fact that there is a definite need for a Municipal Recreational center large enough to accommodate the physical and social needs of children and adults residing in Albany. Space should be provided in this center for the Pre-School Play Center, Girl Scouts, Boy Scouts, Campfire Girls and other youth and civic organizations.

Today we find Albany without an adequate public recreational center at a time that delinquency is growing in the Bay area as it will continue to grow in the post-war era, unless adequate recreational facilities are provided for its citizens.

Surveying other recreational needs, we find that a playground has long been needed on the west side of San Pablo Avenue . . . the remodeling of Terrace Park is essential if that area is to serve its purpose . . . Memorial Park improvements are badly needed and the addition of night softball lights would afford teen agers and adults evening leisure opportunities for play . . . Marin and Cornell School playgrounds are inadequate to meet the present school enrollment and should be expanded to provide adequate educational and recreational opportunities for that age group and swimming facilities are needed in Albany as there is a large demand for that type of education and recreation for our a lults and children.

We are not dreaming when we state that the recreational needs for Albany will be far greater in peace time than they are at the present. If the above work is to be accomplished, the City of Albany must have funds to match other federal and state funds that are available. This can only be accomplished by the passing of Albany's proposal No. 1 on the November 7th city ballot."

EDWIN S. HOWELL,  
Superintendent of Recreation.

## CHESLEY M. WALTER

Walter is the only war veteran running for Congress from the 7th District. He will vote intelligently (not shirk the duty) on WAR and PEACE legislation. He is thoroughly familiar with the needs of the district. A veteran of the First World War, Walter is a past-commander of Oakland Post 5 of the American Legion. He is a practicing attorney, member of the County, State and National Bar Associations.

### How the Incumbent Has Failed

The present Representative from the Seventh District has failed America, and his constituents, throughout ten years in Congress. Proof of this fact is his voting and poor attendance record.

#### The incumbent:

Voted against the Social Security Act, HR 7620, in 1935  
Voted against the National Labor Relations Act, HR 9195.  
Voted against the Anti-Lynching Bill on two occasions.  
Voted against the National Defense Act, SB 4164, for expansion of the Army in 1940.  
Voted against the extension and the strengthening of the Civil Service Law on eight different occasions.  
Was not present to vote on the Alameda Naval Air Station appropriation.

Voted against House Bill 8026 in 1940, which called for construction of 43 Naval vessels and 1011 airplanes.

Voted "NO" on the extension of selective service.

Voted against Lend-Lease in 1941.

Favored monopolies, child labor, unreasonable hours and inadequate pay, and opposed the right of collective bargaining by voting against SJR 113 in 1935.

Voted against the arming of American Merchant ships in 1941.

Voted against the fortification of Guam.

### Do You Want

a continuance of this

### Or Do You Want

a courageous, energetic, fearless leader who will fight for this

## VOTE FOR

### What Walter Will Do

**PROTECT THE RETURNING VETERAN:** Bring our soldiers home when the war is over—give them a suitable job—full opportunity to share in the "America Unlimited" that is to be.

**PROTECT FREE ENTERPRISE:** The problem of the future is to preserve America's standards, and create new opportunity.

**PROTECT SMALL BUSINESS:** The small business man is the very cornerstone—the balance wheel—the essential ingredient of America. Re-establishment of successful peacetime industry must have him numerous and prosperous.

**REDUCE TAXES:** Eliminate the absurd and needless extravagance of bureaucratic New Deal government. Every dollar saved will lighten the tax load paid by our labors.

**ESTABLISH A LASTING PEACE:** Win the war at the earliest possible moment. Co-operate in the es-

tablishment and enforcement of a just and durable peace, a necessary element of which is stern restraint upon the aggressor nations so that they cannot plunge the world into war again. Establish Western Hemisphere solidarity and defense.

**STOP SCARCITY:** Halt destruction of hogs and cattle, plowing under wheat and cotton, and government pay not producing American initiative and free enterprise thrives on the doctrine of abundance, not scarcity.

**HALT PROFITEERING:** Industry must be returned promptly to peace time production as fast as the winning of the war will permit. The estimated one hundred billion dollars surplus of material and merchandise must be liquidated through the established channels of the industry to which they pertain—not by the chaotic outworn method of auction sales to speculators.

**ELIMINATE ALIEN TRENDS:** We must combat the enemy within, and the infiltration of foreign "ism" fostered by misfits such as Browder, Hillman and the PAC, who abuse their sanctuary within our boundaries.
